

This is a sample PDF document. Please insert or stamp the desired barcodes on the other cells.

**Tools:**

- **iTextSharp**
- **Neodynamic Barcode Professional SDK**

Insert here an **EAN/UPC Composite** Barcode.  
For example: an **UPC-A CC-B** composite barcode encoding Primary Data = 01234567890 (the UPC-A barcode) and Secondary Data = 991234-abcd (the CCB composite barcode)

Insert here a **2D Micro PDF417** barcode encoding, for instance, the following string:  
ABCDE-1234567890-PDF

Insert here a **GS1 DataBar-14 Stacked** encoding, for instance, the following string:  
0061414199999
